TEACHERS NEXT IN

NORWICH PROBABLY Sectional Meestings Are Decided Upon

It has been learned that Norwich and not New London is to be the probable place for the eastern Connecticut section of the Connecticut State Teachers' association to hold its annual meeting in next year.

The proposition to hold sectional meetings in 1916 was adopted by a vote of 23 to 7 at the annual meeting in Hartford on Saturday. It was shown that the last convention was the most successful in the history of the association, both in point of attendance and financial returns. The selection of the convention citics was left to a committee of seven and their choice will probably be Hartford, New Haven, Norwich and Waterbury or Norwalk.
